# DISCOVER BINUS SCHOOL SURABAYA: EMPOWERING STUDENTS FOR A GLOBAL FUTURE

## Welcome to BINUS SCHOOL Surabaya!

I am Michael Wijaya, President of BINUS SCHOOL Education. It is with great enthusiasm that I share our commitment through BINUS SCHOOL Surabaya, a dynamic learning environment designed to nurture future-ready students in East Java.

More than a place of learning, BINUS SCHOOL Surabaya represents our vision of global education rooted in strong values, innovation, and collaboration. As part of the BINUS journey, which began in 1964 and has grown into a national education ecosystem, this school carries forward a legacy of excellence shaped by over four decades of impact.

Students at BINUS SCHOOL Surabaya will benefit from an international curriculum that integrates academic rigor, character development, and future-focused skills. Our STREAMS (Science, Technology, Reading, Engineering, Arts, Mathematics, Sports) approach ensures interdisciplinary learning that is both meaningful and applicable to real life.

Equipped with cutting edge technology, including Apple devices, interactive displays, AI-powered tools, and immersive digital learning spaces, the campus is purpose-built to inspire curiosity, creativity, and resilience in every student.

BINUS SCHOOL Surabaya is not just a new school. It is a vibrant community of learners, educators, and families committed to shaping changemakers for Indonesia and the world.

We look forward to welcoming you to this exciting new chapter.

“Holidays are not just for rest, but for cherished togetherness.”

### Keep Simple Vacation Routine

Maintain regular wake-up times, meal times, and bedtimes to help your little one feel secure and settled.

Add fun activities every day to help create a happy and steady routine.

### Vacation Journal or Drawing Book

Let children draw pictures or paste photos of their daily holiday activities.

Encourage them to write simple sentences like, “I went to the park.”

### Explore Nature

Take nature walks, visit the beach, or spend time in the park.

Collect leaves, shells, or small stones and chat about them together.

### Join Holiday Programme

Keep the children learning and socialising while having fun.
