**BINUS**

A photograph of a modern building with a large 'BINUS' sign. The building has a distinctive facade with a grid of small, square openings. In the foreground, there is a red car parked on a paved area. Several people are walking around the building. The background shows trees and a clear sky. The image is slightly faded and serves as a background for the text.

# Moving Forward with Joy and Optimism!

**Dear Fellow BINUSIANS,**

Welcome to BINUS SCHOOL Surabaya and the Academic Year 2026/2027!

It is with immense pride and joy that I welcome you all to the start of our second academic year. Following the incredible journey and collective milestones of our inaugural year, I am thrilled to see our school community continue to grow, thrive, and build upon the wonderful foundations we established together.

To our returning families, thank you for your continued trust and invaluable partnership. To our new families, a very warm welcome to the BINUSIAN community! We are truly honoured to have you with us as we embark on this next chapter of shared learning, curiosity, and academic excellence.

**Mr. Alexandre Trespach Nenes**  
**Principal of BINUS SCHOOL Surabaya**

## **Our Vision for the Year Ahead**

As we begin a new academic year, we remain committed to providing a nurturing and future-ready learning environment where every child can thrive.

This year, we will continue to offer:

- Enriching Learning Experiences
- Collaborative Projects
- Meaningful Co-curricular Activities

## **Stronger Together**

We believe that strong school-family partnerships are key to student success. Through regular communication and active collaboration, we look forward to making this year a meaningful journey filled with growth, achievement, and new opportunities for every student.

# Learning Through Service: Building Empathy Beyond the Classroom

At BINUS SCHOOL Surabaya, learning extends far beyond academic achievement. Through meaningful community engagement activities, students are encouraged to develop empathy, social awareness, and a sense of responsibility toward others.

Recently, our students from middle school had the opportunity to visit SDN Lakarsantri 2, where they connected with the local community through various interactive activities. The experience allowed them to meet new friends, exchange stories, and gain valuable insights from different perspectives and backgrounds.

Throughout the program, students worked together, participated in collaborative activities, and discovered how simple gestures of care and support can positively impact others. These moments not only strengthened their communication and teamwork skills but also helped them develop a deeper understanding of empathy and compassion.

Experiences like these help shape well-rounded learners by teaching valuable life lessons beyond the classroom and encouraging them to make a positive impact on society.

# Building Reflective Learners Through the Traffic Light Feedback Strategy

Reflection is an essential part of the learning process, helping students become more aware of their progress and learning needs. Through the Traffic Light Feedback Strategy, students use green, yellow, and red indicators to evaluate their understanding, celebrate achievements, and identify areas that may need additional support.

This simple yet effective approach encourages students to pause and think about what they have learned, what they feel confident about, and which concepts may require further practice.

Whether in Science, Mathematics, or Technology, the Traffic Light Feedback Strategy encourages our students in primary to take ownership of their learning while building confidence, independence, and self-awareness. It also creates opportunities for meaningful reflection and continuous improvement.

By recognizing their strengths and identifying areas for growth, students develop a positive mindset and valuable skills that support lifelong learning. Because every learning journey begins with reflection

# Hands on Colorful Butterfly Craft Activity with Miss Amira

Looking for a fun and educational holiday activity? Join Miss Amira and learn how to create a colorful butterfly craft using simple materials you can find at home.

This hands-on activity encourages children to express their creativity while developing important fine motor skills, hand-eye coordination, and concentration.

As they design and decorate their butterflies, they are also given the opportunity to explore colors, patterns, and shapes in an enjoyable and interactive way.

More than just an art project, this activity supports S.T.R.E.A.M.S learning by encouraging children to observe, create, experiment, and think creatively throughout the crafting process. It is a wonderful way to combine learning and play while keeping young minds engaged during the holiday break.

Gather your craft supplies, follow Miss Amira's tips and tricks, and let your imagination take flight as you create your very own butterfly masterpiece at home!

# What Happened in June!

**Academics • Activities • Achievements • Community**

## Cheers to Our Early Years 3 Graduates!

From curious first steps to confident new beginnings, our Early Years students have grown, learned, and created lasting memories throughout their journey. Along the way, they have built meaningful friendships, discovered new interests, and developed the confidence to embrace every opportunity with curiosity and joy.

Congratulations on reaching this wonderful milestone! We are incredibly proud of all you have achieved and look forward to seeing you continue to next chapter of your educational journey.

## Celebrating Passion Beyond the Classroom

CCA Culmination Day celebrates a year of learning, growth, and achievement beyond the classroom. Through sports, arts, clubs, and special interest programs, students developed new skills, built confidence, and discovered their passions. This special event showcases their accomplishments while celebrating the spirit of holistic learning and well-rounded growth.

## Dads Padel 2.0: Building Community Through Enthusiasm and Sport

Following the success of our first event, Dads Padel 2.0 brought our parent community back together for another day of friendly competition, connection, and active living. More than just a game, the event strengthened relationships, encouraged sportsmanship, and celebrated the spirit of togetherness that defines the BINUS SCHOOL Surabaya community. We look forward to creating even more memorable moments on and off the court.

## Strengthening Inclusive Education

BINUS SCHOOL Surabaya proudly participated in the Training on Supporting Students with Disabilities, organized by the Surabaya Education Office. The program brought together educators from schools across Surabaya to explore practical strategies and effective approaches for supporting students with diverse learning needs through inclusive, child-centered education.

This professional development opportunity strengthened educators' knowledge and skills, helping create a more inclusive and supportive learning environment where every child has the opportunity to thrive. At BINUS SCHOOL Surabaya, we remain committed to fostering a school community where every student feels valued, supported, and empowered to reach their full potential.

## A Refreshed Campus for a New Academic Year

As we prepare to welcome our students for the new academic year, we are undertaking maintenance and enhancement works across selected areas of the school. These improvements are designed to create a safer, more comfortable, and welcoming environment that supports meaningful learning and the overall well-being of every student.

Our team is carefully refreshing and upgrading key facilities to ensure that our campus is fully prepared for the exciting year ahead. Every improvement reflects our ongoing commitment to providing a high-quality learning environment where students can learn, explore, and thrive with confidence.

We look forward to welcoming our students and families back to a refreshed campus, ready for another inspiring year of learning.

## News & Updates

Let's celebrate **#BINUS45** together and become part of **The 45 Journey**.

**TITIK 45**

As we celebrate the 45th Anniversary of BINUS, let's share our memories, experiences, and hopes by using the BINUS Lustrum Edition Instagram Story Sticker.

- Use the #BINUS45 sticker on your Instagram Story
- Share your memorable moments as part of the BINUS family

Join fellow students, lecturers, alumni, and staff in celebrating 45 Years of Co-Creating the Intelligent Society

Because every journey has a story, and every BINUSIAN is part of it. Let's celebrate #BINUS45 together and be part of The 45 Journey.

## News & Updates

### Holiday Program: One Week, Countless Memories

From 20–27 June 2026, BINUS SCHOOL Surabaya welcomed over 200 participants from across Surabaya for a week of exciting holiday experiences. Designed to inspire learning beyond the classroom, the Holiday Program featured a diverse range of engaging programmes, including the Roblox Studio Workshop, Personal Color Analysis, Public Speaking, Sports Clinics, Heritage Tours, and various creative workshops.

Each session encouraged participants to explore new interests, develop practical skills, and create unforgettable memories with new friends. More than just a holiday program, it became a journey of discovery, confidence, and meaningful experiences.

"It was fun! I never strolled around Surabaya and learned about the heritage in my own hometown. It was such an amazing moment for me," shared Keisha, reflecting on her Soerabaja Heritage Tour experience.

Meanwhile, Clarissa discovered something new about herself after joining the Personal Color Analysis session. "Now I know which color palettes suit me best."

With smiles, curiosity, and countless memorable moments, the Holiday Program once again demonstrated that the best learning happens when fun and discovery go hand in hand.

## News & Updates

### Holiday Program: One Week, Countless Memories

Among the many programmes offered during the BINUS SCHOOL Surabaya Holiday Program, the Heritage Tour invited participants to explore the city's rich history and cultural heritage. The journey included a visit to Balai Pemuda Surabaya, one of the city's iconic historical landmarks, where students learned about its architectural significance, cultural legacy, and its role in Surabaya's development over the years.

Guided by interactive storytelling and discussions, participants gained valuable insights into the city's past while strengthening their appreciation for local history and culture. Beyond visiting historical sites, the Heritage Tour encouraged curiosity, critical thinking, and cultural awareness, demonstrating how meaningful learning experiences can take place beyond the classroom and inspire students to become more connected with the communities around them.

The Padel Coaching Clinic offered participants an exciting introduction to one of the world's fastest-growing sports through expert coaching and hands-on practice. Throughout the session, students learned the fundamentals of padel, refined their techniques through engaging drills, and put their skills into action during friendly matches in a fun and supportive environment.

Beyond developing athletic skills, the clinic fostered teamwork, communication, confidence, and sportsmanship while encouraging participants to embrace an active and healthy lifestyle. The experience reflected the Holiday Program's commitment to providing meaningful opportunities for learning, growth, and discovery beyond the classroom.

# Upcoming Events: Every Saturday is Sports Day!

A promotional poster for a sports event. The background is a dark blue, textured surface with various sports equipment scattered across it, including a soccer ball, a tennis racket, a baseball bat, a basketball, a badminton racket, and a pair of sneakers. At the top left, there are three logos: the BINUS SCHOOLS logo, a circular logo with a torch, and the BINUS 45th anniversary logo. The main text is centered and reads "Every Saturday is Sports Day!". Below this, it specifies the location as "Multi Purpose Hall" and the time as "08:00 - 10:00 AM". A white box contains contact information: "Contact person: Sanka 0821-1212-3055 | Mia 0813-3022-1939". Below that, it says "Book your spot before 01:00 PM every Friday" and "\*T&C Applied". At the bottom, there is an Instagram icon followed by the handle "binusschoolsurabaya".
